PERSONAL EXPENSE TRACKER APPLICATION

PNT2022TMID48024

Develop shared understanding and empathy

Summarize the data you have gathered related to the people that are impacted by your work. It will help you generate ideas, prioritize features, or discuss decisions.

What do they HEAR?

What are they hearing others say?

What are they hearing from friends?

What are they hearing second-hand?

What are they hearing from colleagues?

WHO are we empathizing with?

Who is the person we want to understand?
What is the situation they are in?
What is their role in the situation?

the peoples in todays world. This Personal Expension Tracker is very usefull for the peoples nowaday.

There role is to update what are the expenses they are done and setting he limit to not cross the limit of amount usage.

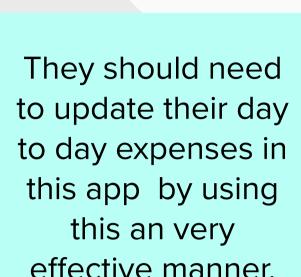

They are in the worst stituation that when it is the last of the month there will be a lack of money. To overcome this situation we created this app called Personal Expense Tracking

GOAL

What do they THINK and FEEL?

What do they need to DO?

What do they need to do differently?
What job(s) do they want or need to get done?
What decision(s) do they need to make?
How will we know they were successful?

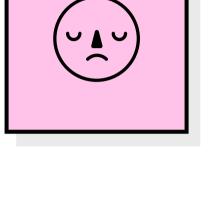

They should use their money within the limit. it should not be extented.
They should also use those money in a efficient way. They never pay or buy that is not usefull for their self.

What are their fears, frustrations, and anxieties?

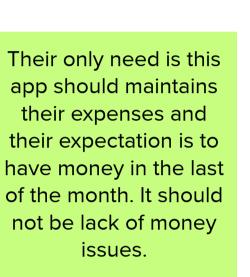

Their only fear is that the app will be work in the

those information in an wrong manner. The data are may be leaks are their fears about this app.

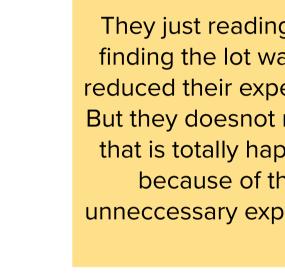

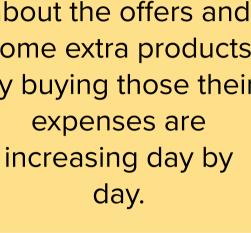

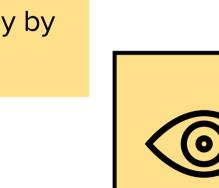

What are their wants, needs, hopes, and dreams?

Keep on track their own mor expenses wh leeds to a

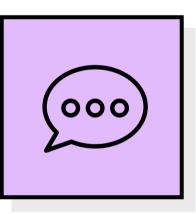

What do they SEE?

What do they see in the marketplace?
What do they see in their immediate environment?
What do they see others saying and doing?
What are they watching and reading?

What do they SAY?

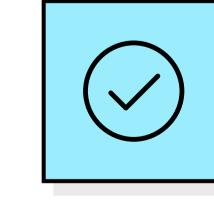

What have we heard them say? What can we magine them saying?

They using those money in very efficient way but at the last of month their is a lack of money.

What other thoughts and feelings might influence their behavior?

There thoughts makes them weak both physicaly and mentally.

It may cause their health issues.

What do they DO?

What do they do today?
What behavior have we observed?
What can we imagine them doing?

Due to this lack of money issues their happiness would be lost, They become more frustrated.

Due to some sudden money issue they will move on for the loans that makes them more in deppressed state.
